

## Department F—Skillathon

1. Skillathon is an educational delivery method where a facilitator conducts a “learning station” where youth can gain knowledge or demonstrate their knowledge and skills learned by doing livestock project work.
2. Skillathons enhance learning through “hands-on” activities and enhance project skills.
3. The learning stations are breeds, quality assurance, health, management, showmanship, feed/nutrition, selection/judging, product evaluation and equipment. However, other topics may be included.
4. The skillathon is open to everyone. Youth do not have to be exhibiting an animal to participate.
