She showed through 4-H for 13 years primarily focusing in dairy goats, boer goats and show cattle. She attended a small junior college before transferring to the University of Tennessee where she graduated with her bachelors in Animal Science in 2024. During her time at UT, she competed on the successful judging team and had personal success. Karlie is currently focusing on her Masters Degree in Ruminant Nutrition. A fun fact about Karlie is that she has a dairy goat soap business with her best friend. She enjoys judging still and loves being able to work with the wonderful youth in the industry.
